Institution will initiate various activities like pre-incubation support, startup initiatives & training programs. IEDC organized several EAC (Entrepreneurship Awareness Camp) programs.

- **Center of Quality Education:**

The faculty & students are encouraged to take up research & developmental activities by utilizing the existing resources. Our center of Quality Education on Science studies have helped our students to develop necessary skills & develop innovative projects in various domains.

- **Human Resources:**

Dynamic & highly qualified faculties are recruited by Chhattisgarh Public Service Commission and appointed in the college. They mentor and channelize the young minds. Institute has taken an initiative to encourage the faculty members to pursue their Ph.D work and to participate and present research papers in the national and International seminars or conferences organized by other colleges or Universities. Faculties are also encouraged to participate in various skill enhancement programs under govt. schemes. Highly competent guest teachers are also appointed against the vacant posts.

- **Free Academic Services: Creation and Transfer of Knowledge**

The teachers of the college believe in creation and transfer of knowledge. They guide the students of other colleges for preparing different competitions such as UPSC, CGPSC, Bank PO and Clerk, SSC, and various others. They provide guidelines or conduct classes of their subjects free of cost. Recently in 2022 several Assistant Professors have been appointed in

different Govt. colleges of Chhattisgarh. The teachers of the college guided some of them for written test and interview.

- **Research infrastructure:**

The College has a **Research Committee** which motivates the faculty members to write research projects and submit them to various supporting agencies like UGC and C.G. Govt. Research Committee also encourages the faculty members to pursue their Ph.D work and to participate and present research papers in the national and International seminars or conferences organized by other colleges or Universities. Teachers are motivated to write research paper and get them published in UGC approved or Peer Reviewed Journals with high impact factors.

The Dept of Political Science has sent a proposal to Atal Bihari Vajpayee Vishwavidyalaya Bilaspur C.G. to establish a Research Center of Political Science.
